MEMORANDUM FOR: Chief, Security Branch, DPD-DD/P

SUBJECT : TALENT Clearances for Officers in O/DDC

25X1 1. I am informed by [] of O/DDC that
25X1 General Cabell wishes [] both of whom
now -- since the retirement of General Truscott -- work for General
Cabell directly, to have cognizance of the coordination activities of the
ARC as they do the many other coordination activities of the Agency.

2. General Cabell specified that if this required a CHALICE
clearance it should be provided.

3. Whereas I would not expect it to be necessary to give
these gentlemen any information beyond that which comes, on
occasion, to the attention of the ARC (and for the most part not even
that), there will no doubt be occasions when they would become cognizant
of some information.

25X1 4. Recommendation:

25X1 That a CHALICE clearance be provided for []
25X1 and [] of O/DDC. [] would like to attend the ARC
meeting on Wednesday at 10:30. Accordingly, it would be appreciated
if I might have your reply by that time.)
